Sanitary Sewer Pipe Repair Planned on Bertha Street and Macon Court

Dear Valued Customer,

The City of Norfolk Department of Utilities has hired Tidewater Utility Construction Company, to repair the sanitary sewer pipes located in the area shown on the map to the right.

The work is planned to begin shortly and is expected to take about 30 days to complete.

Neighborhood access will be maintained with thru-traffic detours around the work zone. Sanitary sewer service will be maintained throughout construction.

The City and our contractor will do our best to minimize the unavoidable disruptions associated with the sewer repair. If you have any questions regarding this project, please do not hesitate to contact the City's on-site Construction Inspector, Mr. Jamal Dean. He may be reached by cell phone at 621-5216 to respond quickly. You may also contact the Project Manager, Selo Qejvani, EIT, at 664-6773.

Sincerely,

Kristen M. Lentz, P.E.
Director of Utilities
